Rules, Regulations, & additional information for Owen Farm Summer Camp

1. Arrival time for each camp will be 7:30-8:00am and pickup time will be promptly at 4:00-4:14 pm. If your child is going to be late, please call ahead so that we can start the activities and reassign animals.
2. Please understand that Owen Farm is a working farm and represents certain risks to your child. Please stress the importance of cooperation and listening skills to your child. Farm camp is designed to provide leadership skills, teamwork, listening skills, and respect for others and how to have fun in the sun. They will learn and understand about farm life, planting and harvesting as well as the concept "from farm to the table."
3. Lunch will be provided for your child each day unless your child has allergies or needs special foods. If this is the case, then the child must bring their own lunch and snacks. As for a meticulous child we serve sandwiches, hotdogs, Mac & Cheese, chicken nuggets, and other kid friendly items. The menu changes daily. We also provide chips, cookies, and farm products for snacks.
4. Your child will be responsible for providing a morning snack, and Gatorade or bottled water daily. We provide water, lemon aid and Kool-Aid in 5-gallon containers, your child will have their own cup and will have access to all of it throughout the day. The drink(s) brought will be for farm activities and when we are on the wagon. Absolutely NO CANDY, GUM OR SOFT DRINKS are permitted at any time.
5. No cellphones are allowed at any time unless they are being used as cameras, otherwise they must be with the camper's belongings. No Exceptions. We are not responsible for lost or broken devices.
6. Your child can bring buckets, nets, or water toys for the creek. Please label it with your child's name & note that they are fully responsible for keeping up with them. Left unattended could mean a ride down the creek.
7. Open-toed shoes & crocs are allowed during most activities but please make sure your child packs closed-toed shoes for horseback riding and field activities.
8. We will enjoy the creek each day so please provide your child with a bathing suit or change of clothes, a beach towel, water shoes or crocs, sunscreen, and bug spray. Label each with your child's name so that if they get left out of their bags we will know where they belong. A hat is great for the heat and recommended.
9. Handling farm animals is part of their daily routine and may cause minimal scratching and if needed we will treat them with Neosporin and band aids. Bee stings and splinters are also part of outdoor farm life. We will avoid all incidents if possible but will handle any minor abrasions as quickly as possible.
10. Bad language, violent behavior, name calling, hitting, or spitting will not be tolerated at any time. Please inform your child this will result in a period of time-out and a phone call to their guardian. Multiple occurrences may result in camper(s) not being allowed to come back.
